AYURVEDIC

Ayurvedic medicine is a traditional system of medicine that originated in India over 3,000 years ago. It is based on the belief that health and wellness depend on a delicate balance between the mind, body, and spirit. Ayurvedic medicine is focused on promoting good health and preventing disease, rather than simply treating symptoms of illness.

LEFT STYLE OF HUMAN

In Ayurvedic medicine, the left side of the human body is considered to be important in terms of overall health and wellbeing. According to Ayurveda, the left side of the body is associated with the feminine energy of the body, which is known as Ida Nadi.
